

State Environmental Quality Review
NEGATIVE DECLARATION
 Notice of Determination of Non-Significance

Project Number _____

Date:

This notice is issued pursuant to Part 617 of the implementing regulations pertaining to Article 8 (State Environmental Quality Review Act) of the Environmental Conservation Law.

The Sullivan County _____ as lead agency, has determined that the proposed action described below will not have a significant adverse environmental impact and a Draft Impact Statement will not be prepared.

Name of Action:Highland Access

SEQR Status: Type 1
 Unlisted

Conditioned Negative Declaration: Yes
 No

Description of Action:

Refurbish an existing access to the Delaware River to make it more usable and ADA compliant. The access is in the Town of Highland within the ROW of the NYS DOT.

Location: (Include street address and the name of the municipality/county. A location map of appropriate scale is also recommended.)

Route 97 in the Town of Highland

Reasons Supporting This Determination:

(See 617.7(a)-(c) for requirements of this determination ; see 617.7(d) for Conditioned Negative Declaration)

The access is an existing access and the improvements will make it function better with regard to traffic, stormwater, and community character. An improved access has implications that benefit the economy, and the health of community residents. All historic aspects of the site have been considered and will not be altered, but may have some interpretation added. Endangered and/or threatened species have been considered, and will not be adversely affected.

If Conditioned Negative Declaration, provide on attachment the specific mitigation measures imposed, and identify comment period (not less than 30 days from date of publication in the ENB)
